

HELIXFORGE CONTRACTOR & EXTENDED WORKFORCE COMPLIANCE GUIDE

Company: HelixForge, Inc. (Austin HQ, Dublin, Singapore)

Fiscal Year: 2026 | Effective Date: February 1, 2026

Executive Sponsor: Priya Nair, VP Business Operations (priya.nair@helixforge.example)

1. Purpose and Overview

This document summarizes compliance, security, and hardware requirements for ~60 independent contractors, specialist consultants, and third-party vendors working with HelixForge.

2. Key Guidelines:

- Maximum SOW Duration: Capped at 12 continuous months without VP exception.
- Hardware & MDM: Mandatory managed Tier-CON-1 hardware enrollment via Jamf/Landscape.
- Production Bastion: YubiKey hardware authentication required; 8-hour max standing session TTL.
- Communication & Retention: 90-day automatic Slack retention purge; all binding documentation stored in Knowledge Base.
