

HELIXFORGE SUBPROCESSOR & THIRD-PARTY DATA SECURITY GUIDE

Company: HelixForge, Inc. (Austin HQ, Dublin, Singapore)

Fiscal Year: 2026 | Effective Date: February 1, 2026

Executive Sponsor: Clara Dupont, Head of Legal & Compliance (clara.dupont@helixforge.example)

1. Subprocessor Compliance Framework

This guide outlines third-party subprocessor requirements under GDPR Article 28, Singapore PDPA, and SOC 2 Type II criteria.

2. Key Commitments:

- Advance Customer Notification: 30 calendar days notice prior to onboarding new customer-data subprocessors.
- Contractual Guardrails: Mandatory Data Processing Agreements (DPAs) with EU Standard Contractual Clauses (SCCs).
- Security Audit: Annual verification of SOC 2 Type II or ISO 27001 certifications across all 12 core subprocessors.
- Crypto-Sanitization: Cryptographic key destruction within 30 days of customer termination.
